This report is for informational purposes only and should not be used to diagnose, track or prevent any disease. Results are only for samples and batches indicated. Results are reported on a "by-product" basis, unless indicated otherwise. When a Panel of All panels is requested, that status is presented as by its acceptance with federal, state and local laws which are required for the customer to be in compliance. The measurement of uncertainty is not included in the Panel of All evaluation unless explicitly required by federal, state or local laws and has been reported on the certificate of analysis. Measurement of uncertainty is available upon request.
